## Getting ready for the job market

## Managing Your Career

The C-19 pandemic is leading many of us to think hard about what we really want to do with our lives and careers, whether change is forced upon us or choosing a new path for ourselves.

This series of six short, fast paced virtual workshops will help you develop a plan for taking stock of your career, getting your CV into shape and preparing for the job market.

Taylor Clarke has brought together some of its most experienced and inspirational career coaches to provide you with a starter pack full of ideas and activities to reflect, take stock and reimagine your career.

### Tips and tools for making career choices
